Packing

We pack light, but right. Packing is done in pasteboard containers to save on transportation costs. Roots of plants are liberally packed in damp shingletow to insure safe arrival at destination. We do not charge for packing.

About Ordering

Orders must be accompanied by a one-fourth deposit unless credit has been established. Our digging time for roses generally begins the latter part of October. We will be glad to book orders ahead for fall or spring shipment. Order early to insure best selection of varieties. Give second choice where possible. You may mark your order on this list stating grade desired. A new one will be sent along with our prompt order acknowledgement. Please state length to be trimmed.
